

**Good quality equipment is a key requisite for any Stockman. Here at CWG we stock a wide range to assist you ... encompassing all livestock handling, feeding and weighing equipment.**

## WATER TROUGHS

### Paxton Troughs

Strong but light polyethylene troughs from Paxton are frost resistant to -40 C and UV stabilised to prevent cracking and ensure long life. Troughs have a fitted ballcock, removable service cover and drainage outlet unless specified otherwise.

#### CIRCULAR TROUGHS

##### AT1 Circular Drinking Trough

Holds over 2000 litres of water but has a low drinking height so animals can reach the water easily. Easily removable service cover for easy access to the ballcock.  
2046ltr Capacity ESLI075

##### AT6 Circular Drinking Trough

Similar to the AT1 but designed for smaller herds.  
909ltr Capacity ESLI032

##### AT15 Circular Drinking Trough

682ltr Capacity ESLI098

##### AT22 Centre Fill Trough

Centre filling trough which can be used to provide water to two areas simultaneously.  
1136ltr Capacity ESLI013

#### CENTRE FILLING TROUGHS

##### AT18 Centre Fill Trough

Does not include a drainage outlet.  
410ltr Capacity ESLI524

##### AT21 Centre Fill Trough

Does not include a drainage outlet.  
272ltr Capacity ESLI491

##### Drinking Trough

Removable service box.  
Movable Ballcock Position.  
Can be a centre-fill or end-fill trough.  
75ltr Capacity ESLE143

##### Drinking Trough

Removable service box.  
Movable Ballcock Position.  
Can be a centre-fill or end-fill trough.  
120ltr Capacity ESLE144

##### AT19 Centre Fill Trough

With two drainage outlets, one at either end for each trough.  
545ltr Capacity ESLI398

#### END FILL TROUGHS

##### AT2 End Fill Trough

Long drinking area. Suitable for sheep and horses as well as cattle.  
318ltr Capacity ESLI028

##### AT24 End Fill Trough

227ltr Capacity ESLI433

#### ROUND - END FILL TROUGHS

##### AT11 Round End Fill Trough

Suitable for single animal use.  
27ltr Capacity ESLI095

##### AT25 Wall Mountable End Fill Trough

Can be fixed to walls using integral moulded-in lugs.  
6.8ltr Capacity ESLI034

## Galvanised Metal Troughs

Cattle troughs without a service box. A service box is available separately and can be fitted at either end or centrally in the trough. All troughs are 435mm wide x 410mm deep.

625mm (2ft) Long	ESLI657
900mm (3ft) Long	ESLI591
1250mm (4ft) Long	ESLI592
1500mm (5ft) Long	ESLI656
1800mm (6ft) Long	ESLI593
2500mm (8ft) Long	ESLI594
3000mm (10ft) Long	ESLI516
Service Box	ESLI595

## CATTLE PRODUCTS

### Cattle Feeding Equipment

#### Galvanised Heavy Duty Circular Cattle Feeder

Heavy duty circular feeder with skirt welded on.  
7'6" Diameter ESLI041

#### Galvanised Continental Tombstone Feed Ring

3 Part Feed Ring ESLI655

#### Galvanised Circular Yearling Feeder

16 Space Galvanised Unit ESLI571

#### Galvanised Hayrack and Manger Unit

ESLI579

#### Galvanised Rectangular Feeder On Skids

2.5m x 1.4m ESLI653

#### Galvanised Hesston Bale Feeder

Designed to hold bales from a Hesston baler.  
3m x 1.55m x 1.4m High ESLK440

#### 2 in 1 Free Standing Units

Economy feed unit that can be used as a cattle barrier. Galvanised.  
3m Long ESLI618  
4.5m Long ESLI617

#### Galvanised Feed Trough

Free standing feed trough.  
2.5m Long ESLK600  
3m Long ESLK434

#### Portequip Calf Creep Feeder

400kg full width hopper with fitted fork lift frame. Painted Finish.  
Creep Feeder ESLI525

#### Paxton Feed Troughs

Hard wearing one piece plastic troughs.  
LF1 1m Long ESLI783  
LF2 2m Long ESLI781  
LF3 3m Long ESLI782

#### Paxton Hanging Feed Troughs LF4

73ltr Capacity hanging trough with galvanised hanging brackets. 1.5m Long.  
73ltr ESLI959

#### LF6

One piece hanging feed trough.  
28ltr Capacity ESLI960

**Crushes**

**Universal Crush**

Galvanised crush with steel floor plate.  
Crush ESLI577

**Devon Clipping Crush**

Galvanised crush designed for clipping.  
With fork lift brackets.  
Crush ESLI613

**Ambassador Clipping/Foot Trimming Crush**

Galvanised crush designed for foot trimming.  
With fork lift brackets.  
Crush ESLI611

**Empire Foot Trimming Crush**

Easy access crush with sheeted panels.  
Crush ESLK431

**Tamar Crush**

A unique multi-task cattle crush ideal for use in both dairy and beef farms. A truly all purpose crush suitable for cattle and calves.  
Crush ESLK765

**Calf Dehorning Crate**

Large Model ESLI146

For more information on the right crush to suit your needs do not hesitate to contact your ASM.

**Footrot Baths**

**Paxton FB4**

Incorporates a specially designed anti slip floor for added safety of animals. 3.05m x 0.9m x 0.15m.  
FB4 ESLI408

**Paxton FB5**

A larger version of the FB4. Also features an anti slip floor. 3.15m x 1.63m x 0.16m.  
FB5 ESLI409

**Paxton FB3**

Specially designed floor ensures hoof is spread allowing greater penetration of footrot solutions. 3m x 1.1m x 0.24m.  
FB3 ESLI407

**Cattle Control Equipment**

**Cow Immobiliser**

Prevents nervous cows from kicking.  
Immobiliser ESLI670

**Cattle Hurdles**

6 Bar Galvanised Cattle Hurdles.

2.5m Long	ESLI927
3m Long	ESLI600
Cattle Hurdle Coupling Rod	ESLI599

**Bull Rings**

Copper rings with snap off screws.

2½'	ESLI540
2¾'	ESLI539
3'	ESLI541
4'	ESLI813

**Coiled Spring Bull Holders**

Steel bull holder, coiled spring holds lugs in nose.

Small	ESLI534
Large	ESLI537

**Halters**

Cotton Calf/Sheep Halter - 6mm	ESLI117
Cotton Calf/Sheep Halter - 8mm	ESLI122
Cotton Cattle Halter - 12mm	ESLI517
Cotton Cattle Halter With Ring - 12mm	ESLI518
Sisal Cattle Halter - 10mm	ESLI520
Sisal Cattle Halter With Ring - 10mm	ESLI521
Cotton Bull Halter	ESLI515

**Heavy Duty Cow Hobbles**

Pair ESLI962

**Economy Cow Hobbles**

Pair ESLI961

**Calving Equipment**

**Heat Detectors**

A reliable way of identifying cows in heat. Heat detectors give a clear indication of cows in heat by turning bright red.  
Pack of 25 ESLI523

**Calving Rope**

8mm Double loop calving rope.  
Rope ESLI118

**Vink Calf Puller**

160 cm Shaft that rotates to allow for manoeuvring of the calf during birth. Also available with a 180cm shaft more suitable for larger calves.  
160cm Shaft ESLI141  
180cm Shaft ESLI192

**Heavy Duty Calving Aid**

Similar ratchet design to the Vink Calf Puller.  
Calf Jack ESLI160

**Castration Tools**

**Castration Pliers**

Notched prongs to help prevent ring slip.  
Pliers ESLI755

**Castration Rings**

Pack of 100 ESLI472  
Pack of 500 ESLI473

**Castration Knife**

Uses disposable surgical blades.  
Blade handle ESLI248  
Pack of 5 Blades ESLI247

**Calf Feeders**

**Supersuckler**

Supersuckler plate is simply fixed to the pen using screws, nails or ties. Teat faces stock, milk is in a bucket outside the pen into which the delivery tubes are placed.  
Calf Teat Unit ESLI104  
Calf Teat White ESLI106

**Calf Bar Feeder**

Feeder ESLI101

**Speedy Feeder**

2.5 Litre feeding bottle for premature calves. Adjustable air intake allows controlled milk outflow.  
Speedy Feeder ESLI185

**Weenum**

For starting calves on bucket feeding. The dummy is offered to the calf, its head is then placed in the feed bucket. Through instinct the calf sucks the dummy.  
Weenum ESLI110

**Calf Teat**

Push on design.  
Teat ESLI113

**Calf Stomach Tube Feeder**

A 3 litre bag with hanger, graduated in 0.5 litre intervals. For the administration of fluids to calves. Complete with 90cm tube and 57cm probe.  
Feeder ESLI890

## SHEEP PRODUCTS

### Sheep Feeding Equipment

#### Galvanised Circular Feeder

Fits together with coupling rods (included).

1.6m Diameter ESLI401

#### Galvanised Feed Trough

Galvanised feed trough with two straps.

2.7m Long ESLK401

#### Hook Over Sheep Troughs

Designed to be hooked over any fence or partition.

1.8m Long ESLK611

2.5m Long ESLK612

#### Sheep Hayrack and Manger

Heavy duty hayrack and manger on wheels. Galvanised.

3m Long ESLK774

#### Lamb Creep Feeder

Heavy duty galvanised design. Wheels at one end for ease of movement.

2.5m Long ESLK770

#### Paxton Feed Troughs

Hard wearing one piece plastic troughs.

LF1 1m Long ESLI783

LF2 2m Long ESLI781

LF3 3m Long ESLI782

#### Paxton Hanging Feed Troughs LF4

73ltr Capacity hanging trough with galvanised hanging baskets.

1.5m Long ESLI959

#### LF6

One piece hanging feed trough.

28ltr Capacity ESLI960

### Sheep Hurdles

#### Standard Sheep Hurdles

7 Rail. Galvanised.

4' Long ESLI432

6' Long ESLI415

8' Long ESLI416

#### Lambing Hurdles

Half mesh hurdles.

Galvanised.

4' Long ESLI553

6' Long ESLI554

8' Long ESLI555

### Footrot Baths

#### Paxton FB2

Traditional style sheep footbath. Will not crack in the sun or frost, and is resistant to all footrot chemicals.

FB2 ESLI406

#### Paxton FB4

Incorporates a specially designed anti slip floor for added safety of animals. 3.05m x 0.9m x 0.15m.

FB4 ESLI408

#### Paxton FB5

A larger version of the FB4. Also features an anti slip floor. 3.15m x 1.63m x 0.16m.

FB5 ESLI409

#### Galvanised Footbath

Comes complete with guillotine gates at both ends. 2.5m Long x 1m wide.

Footbath ESLI410

### Halters

Cotton Calf/Sheep Halter - 6mm ESLI117

Cotton Calf/Sheep Halter - 8mm ESLI122

### Ram Harnesses and Crayons

#### Agrihealth Super Ram Harness and Crayons.

Ram harness with 2" wide nylon straps which provide better comfort and reduce chafing. Agrihealth All Temperature Crayons leave a clear mark in both wet and dry conditions.

Super Ram Harness ESLI467

All Temp. Crayon - Red ESLI461

All Temp. Crayon - Blue ESLI462

All Temp. Crayon - Green ESLI463

All Temp. Crayon - Yellow ESLI464

All Temp. Crayon - Orange ESLI465

All Temp. Crayon - Black ESLI466

#### Ritchey Stafix Harness and Crayons

Nylon harness for use with Stafix crayons.

Stafix Harness ESLI730

Stafix Crayon - Red soft ESLI793

Stafix Crayon - Blue soft ESLI791

Stafix Crayon - Green soft ESLI792

#### Raddle Powder 450g

Red ESLI514

Blue ESLI513

Green ESLI512

Yellow ESLI507

### Lambing Equipment

#### Lambing rope

Double Loop ESLI487

#### Sheep Truss

Prevents protruding or forced bodies during lambing. Made from rot resistant nylon webbing and leather.

Truss ESLI743

#### Uteri Support

Helps prevent prolapses in bearing ewes.

Uteri Support ESLI744

### Castration Tools

#### Castration Pliers

Notched prongs to help prevent ring slip.

Pliers ESLI755

#### Castration Rings

Pack of 100 ESLI472

Pack of 500 ESLI475

#### Castration Knife

Uses disposable surgical blades.

Blade handle ESLI248

Pack of 5 Blades ESLI247

### Heat Lamps

#### Infra Red 250w Bulbs

Frosted Bulb ESEL605

Red Bulb ESEL606

#### Infra Red 175w Bulbs

Clear Bulb ESEL623

**Infra Red Lamp**

Comes with 5m cable.  
Lamp

ESEL626

**Lamb Feeders**

**Minisuckler**

Minisuckler plate is simply fixed to the pen using screws, nails or ties. Twin teats face stock, milk is in a bucket outside the pen into which the delivery tubes are placed.

Minisuckler	ESLI714
Spare Teat	ESLI891

**Volac Ewe 2**

An easy to operate electric warm milk lamb feeder designed to save you time during one of the most labour intensive times of the year. A 300W element is easily controlled via a thermostat built into the plug. Has a 25ltr capacity and comes with a minisuckler, non-return valves and tubing. Will rear up to 20 lambs with a standard minisuckler or double that if an additional minisuckler is used.

Ewe 2 lamb feeder	ESLI889
-------------------	---------

**Feeding Bottle**

For use with non vac teats.

500ml	ESLI746
-------	---------

**Teats**

Non-Vac	ESLI745
Pritchard Type	ESLI482
Pull On (black)	ESLI298
Push In	ESLI484

**Lambing Bucket**

10 Litre plastic bucket with 6 teats. Designed to be hung on pen hurdles.

Bucket	ESLI881
--------	---------

**Lamb Reviver**

Roslam for feeding lambs too weak to suckle.

Reviver	ESLI733
Spare Tube	ESLI701

**PIG FEEDING EQUIPMENT**

**Galvanised Pig Troughs**

Galvanised pig troughs with four straps. 260mm wide x 150mm deep.

900mm (3') Long	ESLI219
1800mm (6') Long	ESLI221
2500mm (8') Long	ESLI222

**POULTRY EQUIPMENT**

We stock a range of poultry feeders and drinkers as well as corn bins and incubators. However many chickens you have we have the equipment to look after them.

**Miscellaneous**

**Needles and Syringes**

**Allison Disposable Needles**

Sold in packs of 100.

21 Gauge x 5/8"	LREQ285
18 Gauge x 3/4"	LREQ286
16 Gauge x 1"	LREQ287
16 Gauge x 1 1/2"	LREQ288

**Non-Disposable Needles**

Luer lock fitting. Sold in packs of 12.

19 Gauge x 1/2"	LREQ264
16 Gauge x 1"	LREQ254
16 Gauge x 1 1/2"	LREQ252

All needles are also available singularly from our stores.

**Hypodermic Syringes**

Sold in packs of 100.

2ml	LREQ289
5ml	LREQ290
10ml	LREQ291
20ml	LREQ292
50ml	LREQ293

Also available in singles.

**Vaccinators**

**Rapi-jector 2**

Sterile 2ml injector system for use with Intervet vaccines. Comes complete with 2 needles.

Rapi-jector 2	LREQ361
---------------	---------

**5ml Sterivax Vaccinator Pack**

Pack includes a Phillips vaccinator with a Sterimatic Needle System to give up to 300 automatically disinfected injections. The Sterimatic Needle System disinfects the needle by passing it through disinfectant soaked foam as it enters the animal. The pack comprises of; Phillips 5ml semi-disposable vaccinator, draw off system, 1sterimatic sleeve, 3 stericaps, and 3 18 gauge x 1" needles.

Stervax Vaccinator	LREQ613
--------------------	---------

**5ml Semi-Disposable Vaccinator**

Popular plastic vaccinator complete with draw off system.

Vaccinator	LREQ363
------------	---------

**Flutter Valve**

**Flutter Valve injection Set**

For the easy injection of large volumes of solution. Supplied with 2 record fitting needles.

Flutter Valve Set	ESLI601
-------------------	---------

**Spare Needle For Flutter Valve**

Record fitting needle for use with the flutter valve set.

13 Gauge x 1 3/4"	ESLI666
-------------------	---------

**Buckets**

**Tinsley Galvanised Bucket**

Seamed metal bucket.

8 Pint	ESOE149
--------	---------

**Calf Ring Buckets**

## OILS AND LUBRICANTS

### Engine Lubricant

#### Eurofleet 15w/40

A multi-grade oil to meet the demands of both petrol and diesel engines, whether turbo or normally aspirated. Registered and blended to the latest ACEA specifications.

5ltr	ESOI305
25ltr	ESOI304
200ltr	ESOI303

### Agricultural Universal Lubricants

#### All Farm

A universal oil for use in the front and back of tractors. Suitable for use in most diesel engines, both turbo and normally aspirated. Also suitable for most tractor transmissions/hydraulics and wet brakes. Viscosity SAE 15w/30.

25ltr	ESOI309
200ltr	ESOI308

#### Agri-Supreme

A premium quality transmission/engine oil suitable for use in many tractors including many later generation Massey Ferguson tractors under warranty. Meets specification MF1144. Viscosity SAE 10w/30.

25ltr	ESOI311
200ltr	ESOI310

### Hydraulic Lubricant

#### Hydrapower HV46 (VI)

A hydraulic oil suitable for use in hydraulic systems where a HV lubricant is required, i.e. self-propelled harvesters, hydrostatic drives and anywhere that heat and wear can cause problems.

25ltr	ESOI317
200ltr	ESOI316

### Horticultural Lubricants

#### Four-Stroke Mower Engine Oil

For use in four-stroke petrol engines that require an SAE 10w/40 viscosity.

#### Two-Stroke Easy Mix

For use with leaded and unleaded petrol.

1ltr	ESOI322
5ltr	ESOI325

#### Chainsaw Bar Oil

For use on chainsaw bars and other exposed chains, complete with an anti-sling, tacky additive.

5ltr	ESOI328
------	---------

### Gear Lubricant

#### EP 80w/90

A premium grade universal gear oil meeting API specification GL4.

25ltr	ESOI331
-------	---------

### Ancillary Lubricant

#### Milking Machine Oil

A premium grade vacuum pump oil for milking parlour pumps.

5ltr	ESOI334
25ltr	ESOI333

### Grease

#### Lithium EP2

A high quality Lithium EP (Extreme Pressure) No. 2 high temperature grease.

Single	ESOI338
--------	---------

LIVESTOCK EQUIPMENT

Keep your machinery running smoothly with **GROWERS** Oils and Lubricants.
